Remarks

In an amendment filed May 5, 2005 contemporaneously with a Request for Continued Examination of the above-captioned patent application, **claim 4** does not appear at the top of page 3 in the copy of the amendment filed with the USPTO. For reasons which are still unclear, claim 4 is present in the computer readable copy of the document and a new copy of the **Listing of Claims** (pages 2-4) is submitted herewith. Claim 4 which was previously presented, was neither canceled nor amended in the amendment of May 5, 2005.

Favorable reconsideration and prompt allowance of the claims is respectfully requested. The Examiner is invited to contact Applicants' undersigned attorney at the telephone number listed below if further clarification is required.

Respectfully submitted,

Date: June 13, 2005
